Attorney Docket No. YOR920030395US1

REMARKS

Applicants gratefully acknowledge receipt of the Notice of Allowance dated June 25, 2010, in

which claims 29-32 and 34-37 of the present application were allowed.

This paper presents an amendment under 37 C.F.R. §1.312 to correct a minor typographical

error in line 9 of claim 37 as presented subsequent to the Examiner's Amendment on pages 2-5 of

the Notice of Allowance. No new matter is added by this amendment, and no further search or

consideration is required.

MPEP §714.16 states that an Examiner "has authority to enter amendments submitted after

Notice of Allowance of an application which embody merely the correction of \dots formal matters in

a claim without changing the scope thereof . . . without forwarding to the supervisory patent

examiner for approval."

Because the amendment presented in this paper includes only a correction of a formal matter

in a claim without changing the scope thereof, Applicants respectfully request that this amendment

be entered in accordance with 37 C.F.R. §1.312 under the Examiner's authority as specified in

MPEP §714.16.

Respectfully submitted,

/des/
